A Message from Supervisor Rich Schaffer

Dear Resident:

On behalf of my colleagues on the Town Board, I would like to wish you a Happy New Year and thank you for doing your part to help Babylon maintain our fantastic reputation as an environmental leader on Long Island.

Everything that you need to know about garbage, yard waste and recyclable pickup is inside of this calendar. See the months of March and August for complete pickup information. Make sure to take advantage of our S.T.O.P. (Stop Throwing Out Pollutants) Days on April 9th and October 8th so that household hazardous wastes are safely disposed of. For more information about S.T.O.P. Days, please see the month of April.

Please note that due to new regulations from New York State, EnCon, our contracted recycling company, will no longer be able to pick up e-waste at the curb. Review the top of the March page for information about how to now properly dispose of your e-waste

Inside you will also find important information about Town of Babylon services and programs, as well as exciting news from our community. Make sure to take a look and see what is available to you as a resident.

I thank you for doing your part to help protect Babylon's environment. Have a great 2016!

Sincerely,

A handwritten signature in black ink that reads "Rich".

Town Kicks Off Successful Anti-Litter Campaign

Last year, over 200 volunteers collected over 12,000 pounds of litter as part of the Town's campaign to clean roadways and public spaces of garbage and refuse in a celebration of community pride. Volunteers consisting of Town employees and officials, PSEG employees, students from Deer Park High School and Suffolk Community College, representatives from local 7-11 establishments, and various community organizations were grouped into

teams and assigned areas throughout the Town, including along Montauk Highway, Straight Path, New Highway, and Ketcham's Creek. Following the clean-up, volunteers were treated to a barbeque lunch donated by Outback Steakhouse. All garbage collected was weighed by the Town's Department of Public Works, which found that 12,290 pounds of garbage, or 6 tons, of litter was removed from ten sites throughout the Town.

Kime Roundabout Adopted

For safety reasons and to ease traffic flow, the Town of Babylon recently installed a much needed roundabout on Kime Avenue in North Babylon. The stone roundabout,

surrounded by dyed stamped concrete, was adorned with colorful spring bulbs donated by Stables Garden Center and planted by Parkdale Civic Association members and their children. The roundabout was adopted by residents Elinor and Andrew Spadafora, who continue to maintain and add to its perennial beauty. Those interested in helping Babylon stay beautiful by adopting a spot or road should call (631) 587-3752, ext. 6012.
