

BEACON FAMILY WELLNESS CENTER

OASAS Licensed Outpatient Program

Family Services

Brief Description:

The Town of Babylon, Beacon Family Wellness Center, provides a wide range of services available for family members impacted by their loved ones disease of addiction. We currently offer a **FREE 4 week education series** that is open to all Town of Babylon residents. This group meets weekly on Wednesday evenings from 7:30-8:30 pm.

Confidential registration is required. Call today to register and share in the experience, strength, and hope of others, who have dealt with this family disease.

Our clinical treatment program also offers private family therapy, and a weekly significant other group for family members, in addition to treatment for individuals who meet the criteria for a substance use disorder. These services are also available in Spanish.

Please note that you do not have to have a family member enrolled in our treatment program in order to be eligible for services. We operate on a sliding fee scale and accept most insurance policies.
