Chapter 85. OUTDOOR PUBLIC ASSEMBLY PERMITS

Article I. Issuance of Permits

§ 85-4. Public assembly permits.

[Added 2-25-1992 by L.L. No. 1-1992]

Provided that a request meets the criteria set forth in this section, the Town Board hereby delegates to the Town Clerk the authority to issue public assembly permits.

- A. The request must be made at least four weeks before the proposed date.
- B. The request must be made by an individual resident of the Town and include that resident's address and both a home telephone number and a telephone number where the individual can be reached during regular business hours.
- C. The request will list the club or organization requesting the permit, if any, and the purpose for the requested public assembly permit. The Town Clerk may not issue permits for commercial purposes.
- D. The request shall include the date and rain date.
- E. The request shall state the hours of operation, but in no event shall a permit be granted for the conduct of a public assembly commencing before 10:00 a.m. or terminating after 11:00 p.m. when the day following the event is a Saturday, Sunday or holiday or after 8:00 p.m. when the day following the event is a regular workday.
- F. The request shall include the location or area where the public assembly will be held and whether any streets, highways or roadways will be blocked by the public assembly. No request may be granted by the Town Clerk which requires the blocking of any state or county roads or other major thoroughfares in the Town which, in the opinion of the Town Clerk, would be severely disruptive of traffic in or about the proposed sites.
- G. The request shall include a sketch of the area involved showing the various intersections.
