RESOLVED, that the aforementioned change of zone shall not be effective until there has been filed with the County Clerk of Suffolk County the following Covenants and Restrictions to run with the land, subject to the approval of the Town Attorney:

1. No exterior-mounted steel security gates or shutters permitted. Only interior-mounted mesh type security gates permitted.
2. All site lighting to be contained on site and must conform to dark-sky lighting regulations.
3. The owner/developer is responsible for maintaining all applicable site development improvements including, but not limited to, the following: fire and smoke detection system, automatic fire sprinkler system, building, drainage, curbs, sidewalks, fencing, asphalt, landscaping, etc.

4. Owner/applicant shall comply with all NYS regulations for handicapped accessibility including, but not limited to, handicapped ramps and handicapped parking spaces.
5. All noise generating equipment on-site including, but not limited to, heating ventilation and air conditioning (HVAC), chillers, refrigeration units, and compressors shall operate in conformance with Chapter 156 Town of Babylon Noise Code. In the event that any such equipment exceeds Chapter 156 standards immediate steps shall be taken to mitigate those noise levels.
6. All buildings, structures, signs, fences, and landscaping shall be maintained in accordance with all applicable codes and ordinances of the Town of Babylon, and violations thereof may be prosecuted and enforced in the same manner as provided therein.
7. No further development of the site without Planning Board approval.
8. All refuse shall be contained within the perimeter and height of the refuse enclosure as approved by the site plan.
9. Maintenance access shall be in accordance with Section 189-9 of the Code of the Town of Babylon. The Town of Babylon shall be provided with access to the stormwater infrastructure at reasonable times for periodic inspection by the Town of Babylon and its officers to ensure that the infrastructure is maintained in proper working condition to meet design standards and any other provisions established by Chapter 189. This agreement shall be binding on all subsequent landowners.
10. Maintenance after construction shall be in accordance Section 189-9 of the Code of the Town of Babylon. Stormwater management practices installed in accordance with Chapter 189 shall be operated and maintained to ensure that the goals of Chapter 189 are fully achieved. Proper operation and maintenance includes, at minimum, the following:
  - a. A preventive/corrective maintenance program for all critical facilities and systems of treatment and control (or related appurtenances) which are installed or used by the owner or operator to achieve the goals of Chapter 189. A written record of stormwater management system maintenance activities shall be established and maintained on site and be available for review by the Town of Babylon upon request.
  - b. Written procedures for operation and maintenance and training new maintenance personnel shall be prepared and maintained on site and will be available for review by the Town of Babylon upon request.
  - c. Discharges from SMPs shall not exceed design criteria or contribute to water quality standard violations in accordance with §189-8B of the Code of the Town of Babylon.
11. Upon completion of construction, any stormwater control structures impacted during construction shall be cleaned by the owner or operator. Routine maintenance of stormwater infrastructure on the site will include the following:
  - a. Monitoring of drainage inlets (catch basins) will be completed routinely, particularly after larger storm events and must be kept free from obstruction by leaves, trash, and other debris.
  - b. Drainage grates must be kept free from obstruction by leaves, trash, and other debris.
  - c. Drainage structures shall be inspected annually to determine if sediment removal is necessary to ensure that the drainage structures are properly functioning and that they permit adequate conveyance throughout the system. If applicable, the manufacturer's specifications for maintenance procedures and frequency must be strictly followed.
  - d. The drainage structures must be routinely monitored for the removal of surface sediment and trash.
  - e. Street sweeping of the parking areas shall be conduct at least four times annually to remove sediment that may impact the drainage infrastructure and additionally, as necessary due to storm events.
  - f. The grounds and parking area shall be inspected for litter monthly and any litter shall be removed as necessary.
12. The entire building is to have a fully automatic fire sprinkler system installed pursuant to NFPA 13 and Section 213-235 of the Town Zoning Code and as required by the Fire Marshal.
13. The Town of Babylon is not responsible for any damage to the curbs or light poles on site in connection with solid waste pick up.

14. All units to have central air conditioning or through the wall air-conditioning units, no window units to be permitted.
15. The use of inorganic fertilizers, pesticides, and herbicides shall be minimized as standard operating procedure for the landscape maintenance of the site.
16. Twenty percent of units (6) of overall development, shall be designated as workforce/affordable housing. Units to be scattered equally throughout the site. Affordable/workforce units shall be targeted to qualified households making 80% or less than the Suffolk County HUD income limits, which are updated annually. A recognized affordable housing provider shall be engaged by the owner/applicant to oversee the affordable component. Proof of such engagement shall be provided to the Planning Department.
17. The attic and basement are not for habitable space and are for storage and utilities only.
18. By virtue of this site plan approval, SCTM #'s 0100-209-02-002, 0100-209-02-004, 0100-209-02-005, & 0100-209-02-021.001 are effectively merged. No parcel shall operate independent of the other parcel(s), since they only function conjointly as one contiguous site.

BE IT FURTHER RESOLVED, that in case of any violation or attempted violation of any of the covenants by the owners or their lessees and failure of the owners to remedy any such violation within thirty (30) days after written notice by the Town, the Town shall have the right, on its own motion and after notice, to rescind said change of zone and the subject premises shall revert from MR-Multiple Residence to A-Residence District, and be it further

RESOLVED, that if the owners hereto, or any of them, their lessees, their heirs, successors, or assignees shall violate or attempt to violate any of the covenants or conditions required by the granting of this permit, it shall be lawful for the Town of Babylon to prosecute any proceedings at law or in equity, including but not limited to enforcement by way of injunctive relief; any remedies chosen by the Town Board to enforce any covenant, restriction or condition herein shall be cumulative and at the discretion of the Town Board as to how best to enforce such covenant, restriction or condition; the election of one method of enforcement shall not constitute a bar to electing any other method of enforcement permitted by law; and be it further,

RESOLVED, that the Town Clerk of the Town of Babylon be and hereby is authorized to publish a notice of said change of zone in one of the official newspapers of the Town of Babylon.
