To compute the tax for any individual district, multiply the assessed valuation on your tax bill by the tax rate for that district. The exception is school districts where the STAR overage needs to be added in. The total tax rate equals the school district rate, library district rate, the combined code rate plus sewer and refuse as applicable. **N.Y.S. VETERANS EXEMPTION shown on your tax bill applies to Codes 1-2-3-4-5-6-7-8.**
